

All development is self-development since it is impossible for other people to do your learning for you.

17

The bad news: there is no key to the universe. The good news: it was never locked.

18

A diamond is a piece of coal that did well under pressure.

19

If you ask you can turn out stupid in that moment. If you don't ask you can stay stupid forever.

20

The highest activity
a human being can
attain is learning
for understanding,
because to
understand is to be
free.

21

We are all failures
- at least the best
of us are.

22

Knowledge is only
a rumour until it's
in the muscle.

23

The illiterate of the
21st century will not
be those who cannot
read and write, but
those who cannot
learn, unlearn, and
relearn.

24

It is what we think we know already that often prevents us from learning.

25

That is what learning is. You suddenly understand something you have understood all your life, but in a new way.

26

Learning is not a spectator sport.

27

Give the pupils something to do, not something to learn; and the doing is of such a nature as to demand thinking; learning naturally results.

28

You can't teach
people anything.
You can only help
them discover it
within themselves.

29

Don't accept your
dog's admiration as
conclusive
evidence that you
are wonderful.

30

When you light a
candle, you also
cast a shadow.

31

The beginning of
knowledge is the
discovery of
something we do
not understand.
