

The owner of this certificate has participated in a project supported by the European Solidarity Corps. This European Union programme enables young people to help build a more inclusive society and respond to societal and humanitarian challenges. It offers opportunities to develop valuable competences abroad or in the individuals' home country. The European Solidarity Corps also enables capacity-building for organisations involved in the programme.

LEARNING CONTEXT

A European Solidarity Corps Volunteering Project offers an informal and non-formal learning context for volunteers to engage in a community or help overcome societal challenges. The tasks and responsibilities volunteers assume within the project, along with a new cultural context, help them develop new and strengthen existing competences. This process is supported by mentoring provided by the hosting organisation as well as a cycle of training and evaluation activities.
